

Authorized Distribution Partner

AllClear is the respected global leader for defense aircraft sustainment; deploying an experienced team and complete capabilities to solve customer challenges, offering its military customer base solutions that address the supply chain defects inherent to the sustainment of legacy aircraft no longer supported by OEMs. We are a global provider of comprehensive support for U.S. manufactured legacy defense platforms, including fighters, transporters, patrol aircraft, and helicopters. Our total support approach encompasses strategic distribution, repair services, engineered products, modernization solutions, and overall program management.

COLLINS AEROSPACE

Collins Aerospace, through their Delavan product line, serves the global military and government aftermarket for the Delavan product line for fuel nozzles and spray bar product line used on military engines including the T56, F404, F110, and T700.
