

Authorized Distribution Partner

AllClear is the respected global leader for defense aircraft sustainment; deploying an experienced team and complete capabilities to solve customer challenges, offering its military customer base solutions that address the supply chain defects inherent to the sustainment of legacy aircraft no longer supported by OEMs. We are a global provider of comprehensive support for U.S. manufactured legacy defense platforms, including fighters, transporters, patrol aircraft, and helicopters. Our total support approach encompasses strategic distribution, repair services, engineered products, modernization solutions, and overall program management.

VALCOR ENGINEERING

Valcor Engineering is a recognized leader in the design and manufacture of aerospace fluid control devices for use in fuel, hydraulics, pneumatics, and fuel inerting systems. Products include pressure regulating valves, relief valves, solenoid valves, accumulators, and manifolds. Valcor's Electroid brand is also the leader in the design and development of electromechanical actuation and motion control components and systems, most notably brakes and clutches.
